

**Southern Lepidopterists' Society and Association for Tropical Lepidoptera
Combined Annual Meeting**

2012 TENTATIVE LIST OF SPEAKERS

James K. Adams: "The Very Latest Lep Updates from Georgia and Kansas"

John V. Calhoun: "John Abbot's Butterflies: Science and Commerce in Early Georgia"

Charles V. Covell, Jr.: "Highlights of the 2012 Lepidopterists' Society meeting in Denver, CO, July 24-29, 2012"

Maria Fernanda Checa: "Ecological aspects of bait-attracted butterflies from Ecuador and their implications for butterfly conservation"

James E. Hayden: "Microlepidoptera on Solanaceae: an Online Resource"

Peter R. Houlihan: "Impacts of forest gaps on butterfly diversity in a Bornean peat-swamp forest"

Deborah L. Matthews, Jacqueline Y. Miller, Terry A. Lott, Roger W. Portell, James K. Toomey:
"Inventory of the Lepidopteran Fauna of the Guantanamo Bay Naval Base, Cuba"

Marc C. Minno: "Critically Low Populations of the Schaus' Swallowtail (*Heraclides aristodemus ponceanus*, Papilionidae) and Bartram's Scrub-Hairstreak (*Strymon acis bartrami*, Lycaenidae) in the Florida Keys"

Bob Patterson: "Recent Developments at Moth Photographers Group"

David M. Plotkin: "Analysis of Morphology of Neotropical Geometrinae (Lepidoptera: Geometridae) using Exo- and Endoskeletal Characters"

Francesca V. Ponce and Akito Y. Kawahara: "Preliminary Molecular Phylogeny of *Eumorpha* Hawkmoths"

P. Sebastian Padron: "Molecular Phylogeny and Biogeography of a Highly Diverse Genus of Andean Butterflies (Preliminary Results)"

Cassandra Romero, Ian Kitching, Jesse Barber, Akito Y. Kawahara: "Hawkmoth tibial spur variation and evolution (Lepidoptera: Sphingidae)"

Brian Scholtens: "Range changes of butterflies in South Carolina and Michigan"

Jeffrey Sloten: "Life History Notes on *Lintneria* (formerly *Sphinx*) *eremitoides* (Strecker, 1874)"

Andrei Sourakov: "Niche Partitioning and Life Histories of Moths Feeding on Coral Bean in Florida"

Peter A. Van Zandt, John-Paul Tortorich, Aisha Bonds, Grant Gentry, Richard Brown:
"A Comparison of the Moth Communities of Forested, Glade, and Urban Habitats in Bibb and Jefferson Counties, Alabama"

Andrew D. Warren: "Collections and Collecting: We Are Running Out of Time!"
